Guests using the lounge can enjoy the following facilities:

- complimentary shoulder massages for all guests until 5pm
- a spa offering a range of massages and reviving body scrubs (charged)
- a children's play room
- a balcony with sun loungers
- complimentary light breakfast and snack buffet until 5pm

This lounge is open to all guests transferring to the three resorts by seaplane. Waldorf Astoria guests transferring by domestic flight will not have access to the seaplane lounge.

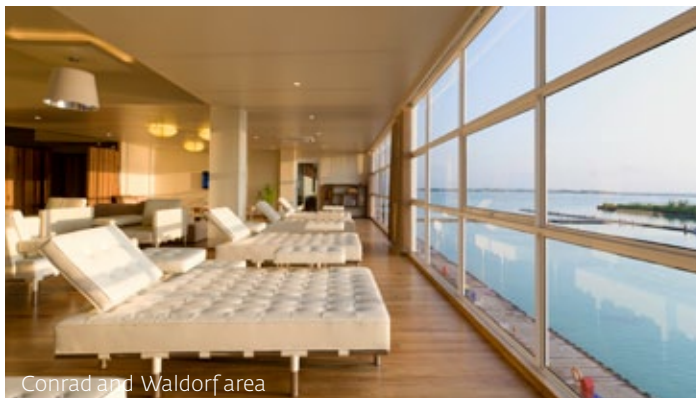

## How to find the lounge

Guests are met by a uniformed staff member on arrival at Male International Airport and then shuttled to the seaplane terminal. This 10-minute drive from the airport will bring guests to the seaplane terminal where they can use the lounge.

## Evening operations and charges

The seaplane lounge is the only one in the country that remains open in the evening. Guests who have flights departing late in the evening can book access to the lounge from 5pm onwards, thereby avoiding the necessity of reserving day-use rooms in nearby hotels.

Rates for using the lounge in the evening are US\$80 per person for adults and US\$40 per child under the age of 12 subject to 10% Service charge and 3.5% T-GST. This rate includes use of all the lounge facilities, buffet dinner and soft drinks.

Whatever your idea of luxury, we can take you there.
