

# Dear Connoisseur,

Keeping up to the traditions of **Waldorf Astoria**, we want to offer you a unique wine experience created by special discoveries from around the world.

We believe in wines and winemakers who are equally passionate as us. Whose wines reflect the honest voice of the land. Who toil hard to assist the nature in creating its unique living beverage, the **Wine**. Fighting the frosts, hails, storms, rains, heat and cold, they not only craft a passionate potion, but also let the nature put its unique signature on each vintage.

Part of the same passion gets transformed into natural cultivation tactics in the vineyards, namely organic and more rigorously the biodynamic viticulture. Here the winemaker lets the nature find the best solution to every situation. No weeds are bad, all micro organisms are essential part of the land; pesticides, fertilizers, weedicides are an absolute no. The phases of the planets coordinate the vineyard activities.

We want to pour this passion in your glass. I am sure you will find some of the usual suspects on our list too. However, you will not find a single wine on our list, which we do not believe in. From the most inexpensive to the top of the range, we taste and ensure that you receive the finest.

We put the same care in choosing wines by the glass for your meal. There are interesting and food friendly wines in this selection reflecting the mood of the outlet and the cuisine proposed.

As wine selection can sometimes be intimidating, our list is formatted to make it easy to understand so that wine and food happens naturally with as little stress as possible.

The pairing focuses on simple sophistication of fresh ingredients enhanced by fine wines.

Please ask your Sommelier to offer you assistance for a choice that is right for you.

The **Island Sommelier, Kamal Malik**, is available to assist you, should you need an advice about the wine with your meal. He conducts the wine dinners and other events at the wine cellar and brings his expertise and experience in creating a wine list full of boutique producers and great values

Kamal is assisted by a wine team stationed in each outlet, trained students from WSET London. **Thoha, Soffath, Hamdi, Waheed and Hambe** in Restaurants and **Amit, Sidath, Siraaj and Sagara** in the Bars are available to assist you

For "Excellence" and "Distinction"

# MARCEL GUIGAL

## DECANTER MAN OF THE YEAR

Guigal was founded in 1946 by Etienne Guigal, and it is now run by his son Marcel. During his time the company has become one of France's most successful and respected wine producers.

There are many admirable things about Marcel Guigal, but most significant is his passion and dedication to high quality that has brought attention to the Rhone Valley, and has raised the bar for the entire region.

In 2006 Marcel Guigal was awarded **Decanter magazine's 'Man of the Year' award** for his contribution and dedication to Rhône wines.

Guigal pioneered the notion of the single vineyard Côte Rôties and his three most famous wines, La Landonne, La Mouline and La Turquie are amongst the most sought-after wines in the world today. **Waldorf Astoria Maldives** proudly offers a limited quantity selection of great vintages of the **La La La** brought directly from Mr. Guigal's cellars.
